

HELP

CONTROLS

1. Press UP and DOWN arrow keys to move the player up and down the grid block.
2. Press RIGHT and LEFT arrow keys to move the player right and left in the grid block.

GAME

The game objective is to make the player reach from one end to the other end of the game block avoiding the obstacles in between.

HOW TO PLAY

Move the players as per the controls and try to avoid the obstacles in between and reach the other end.
